November 3rd General Election

The State will be mailing the November 3rd General Election ballots starting on Monday, September 21st to all active voters.

Please fill them out as soon as you can and either mail them back, put them in the drop box on the entrance door to the Town Office or push the intercom and I will come out and get the ballot from you.

If you don't want to vote by absentee ballot and want to vote in person on election day you must bring the ballot mailed to you back to me on election day. If you don't you will need to fill out some paperwork before I can give you a second ballot.

Remember if voting by absentee ballot please fill out the envelope that the ballot goes in otherwise your ballot will be considered defective and not counted.

If you have any questions regarding the November 3rd election, please call the Town Office at 484-7212.

Cathy Archibald
Town Clerk
