Discussion as to value of the relocation, it would greatly improve. Hartland is in agreement. Suggestion to get a letter from the landowner to be willing to create a trail easement on the western part of the property to follow the stone wall to where it passes into Hartland. Landowner to continue the easement through to Best Rd. on the Hartland segment. Suggestion to get a letter from Hartland stating that they will create an easement. Language to come from WWCC. Landowner to pay any expenses.
