SGA High Meadows – sites for consideration are the dam behind the fire house and the partial dam on Harrington Rd. Dennis Brown property for T4S. Sue to contact Dan Potter to get an update on these projects.

Trails – Niles and Lustberg trail will need work this spring after the logging damage. Chris suggested the need for a trail network outside of the mountain area. Discussion followed. Chris to look into this and report at the next meeting.

Invasives – Ted reviewed the town road crew plan to cut in June. Barb asked that the machine be cleaned between sites. Suggestion to have a WWCC booth at July 4. Barb asked for a spot by the door.

Management Plan – Ted outlined how to develop a method to work through the plan. People with interest in sections are encouraged to edit with track changes. Dartmouth students will be working on invasives and carrying capacity and will report to WWCC. Goal to have a draft by fall.

New Business - Ann Matthews asked what projects we had along Brook Rd.

WWCC Priorities

- Identify easement initiatives for high priority land
- Working with the Town Forest Committee/Bicentennial trail
- Vernal pool inventory
- Trail easements
- Geomorphic assessment of major tributaries to Mill Brook

Motion to adjourn the meeting at 8:05 pm by Ted Siegler. Next meeting April, 2016

Respectfully submitted - Sue Greenall - secretary
