*****Minutes of December 18, 2014, were considered and accepted.

****Jennifer presented her Librarian's report dated January 14.

Librarian's report: Dated January 14, 2015.

Librarian's Report for January 2015

The Library Report for this year's Town Report has been completed and submitted to Cathy.

We have the new book suggestions from Tony, which are now ready to be ordered. There are 30 of them—both adult's and children's.

I am wondering if we could purchase a container of Ice Melt crystals to use on the front walkway. The ashes do keep people from slipping on the ice, but they track a lot of dirt on this beautiful floor.

Respectfully submitted, Jennifer Rathburn

“---Old Business:

- (1) Trustees authorized the purchase of approximately 30 books for an expense of around \$600. They authorized an additional purchase of five children's books.
- (2) Tom noted he confirmed the Town Meeting warning articles for \$14,000 in support and for \$9500 for the restroom project are on the warning.
- (3) Jennifer confirmed the MLB info has been submitted to the town clerk for the town report.
- (4) Tom noted Dave Silvester is working on the ADA restroom and is concerned about the door. Need to address floor washing procedures.

New Business:

- (1) It was suggested we have the floors washed from time to time.
- (2) Need to advertise our interlibrary service.
- (3) It was suggested we see if we could have use of the local reader's books before the books go to the foodshelf.
- (4) Tom noted the library ran out of oil thanks to poor service by Dead River. All is now ok.
- (5) Tom authorized to get runner from hallway into the main room, and smaller mats for the area near Jack's chair and by the computer stations to help with the sand and walkway ashes being tracked in.

The next meeting of the Trustees will be held on Thursday, February 19, 2015 at 4 pm.

Tom Kenyon, Secretary
