

Town of West Windsor

Special Selectboard Meeting

Thursday, March 16, 2023, at 6:30 p.m.

DRAFT Minutes

1. Call to Order

Matt called the meeting to order at 6:30 pm.

2. Motion to Enter Executive Session

Mark Higgins motioned to enter executive session. The motion was seconded and carried.

The Selectboard adjourned its executive session.

Matt made a motion to hire Clark Craig as a full-time member of the Town highway crew. The motion was seconded and carried.

3. Other Business

Mark Harley addressed the issue of a recent security breach in the town's computer system. It appears that an employee's Microsoft account was hacked by an account with a Russian domain. The malware sent a OneNote attachment to what appeared to be everyone in the employee's contact list. The particular type of malware associated with the breach is new and only detectable by a small percentage of virus detection software, and it is unclear whether malware was installed on any town computers VC3 is investigating and will be scanning town devices.

It appears that most recipients of the corrupted attachment were unable to open it successfully, but it is not clear whether that means there was no impact.

4. Adjourn

Matt motioned to adjourn the meeting; the motion carried.
