

Approved as amended, 5/17/12

WEST WINDSOR SELECTBOARD

Minutes

April 30, 2012

Present: Tom Kenyon, Bruce Boedtke, Bob Gray (Talc Plant Reclamation Project Manager), Barbara Truex, Nancy Nesbitt, Ted Siegler, Mike Spackman, Bob Allen, Cathy Boedtke, Glenn Bowman

- 1) Convene – Selectboard members and members of the public convened at the former talc plant at 8:00 AM to tour the property and the facility. Bob Gray explained the reclamation project, showed those present the “borrow pit” that the soil will come from, and talked about the grading plan. Bob said the work will commence when the contracts are signed. There was brief discussion about the possibility of the property being donated to West Windsor when the project is done. When they were finished touring the property, those present toured the talc plant building with owner Glenn Bowman. The talc plant had over 3’ of water and mud inside it during Tropical Storm Irene.
- 2) Adjourn – The meeting adjourned by consensus at approximately 9:00 AM.

Respectfully submitted,

Martha Harrison
