

West Windsor Selectboard

Draft Minutes

July 20, 2011

Present: Glenn Seward, Bruce Boedtke, Stan Spencer, Jim Lyall, Colin McKaig

Selectboard Chair Glenn Seward called the meeting to order at 7:00 PM at the Mary Blood Library. Glenn presented a brief overview of the status of Act 250 discussions with April Hensel. Stan expressed concern that we have to go through the process especially for the trails off town and resort property. Bruce said that he had a conversation with April, and she agreed to have the permit application involve just the trails in the town forest and on the resort property. All other trails could be dealt with separately. Glenn said the Town Attorney advised not to appeal April's decision. Jim said he felt applying for the permit was the proper way to proceed. All agreed with that tact. Bruce said that the permit should be filed as soon as possible. Jim said Patrick Kell could provide information to help us. Bruce said information on erosion control that was used in other permit applications would be useful. Glenn said Martha would get a start on it and we would all have to assist in providing information as needed. General discussion ensued regarding the trail system with the meeting adjourned by consensus at 7:45 PM.

Respectfully submitted,

Glenn B. Seward
