

West Windsor Selectboard
Draft Minutes
July 21, 2015

Present: Dick Beatty, Tom Kenyon, Martha Harrison, Dennis Brown, Aaron Gonthier (Windsor on Air), Frank Kelley (SAI Communications), Thomas Hector (engineer)

At 10:00 AM, Selectboard members Dick Beatty and Tom Kenyon, and Town Administrator Martha Harrison, met with Frank Kelley and Thomas Hector, representing AT&T, to review the proposed location for a permanent 150' cell tower on the so-called 3.38-acre "maintenance shed parcel." Town officials felt that the proposed tower location was too close to the original old ski lodge, which may be torn down, but could be rebuilt in the same approximate location. After discussion, Frank Kelley and Thomas Hector agreed that the tower could be moved approximately 40' to the west of the proposed location. To the extent possible, trees to the south and west of the new tower site will be retained to provide partial screening.

Respectfully submitted,

Martha Harrison
